Dear Sir:

Further to our communication filed January 12, 2007, this communication is being filed to summarize a telephone conference with the Examiner on March 16, 2007.

In this telephone conference, the Examiner confirmed that a typographical error existed in the Notice of Allowability mailed on December 19, 2006. In that Notice, only claims 1-15 and 28-38 were allowed. The Examiner confirmed that the allowed claims in the Notice of Allowability should be claims 1-25 and 28-38.

The Examiner stated that he would prepare a Supplemental Notice of Allowability which indicated the allowance of claims 1-25 and 28-38. The Examiner also instructed Applicants to proceed with paying the Issue Fee on March 19, 2007.
